

CITY OF FRISCO TAX OFFICE

MEMORANDUM

DATE: January 16, 2000

TO: Mayor Seei and City Council Members

FROM: Frances Justus, Tax Assessor/Collector

SUBJECT: Approval of Supplemental Roll #4 for 2000 and #14 for 1999

Please find enclosed copies of resolutions you need to approve on Supplemental Rolls issued by the Appraisal Review Board of Collin County Appraisal District. On Supplemental Roll #4 for 2000 1 BPP account was added to roll as left off the certified roll. Three BPP accounts had value adjustments due to clerical errors. One BPP has a value adjustment due to substantial error. Three R accounts had value lowered due to the Homestead Cap. Two R accounts had the over 65 exemption granted, two R accounts were exempt for 2000, 2 R accounts had a prorated exemption removed. Twenty-four R accounts had acreage decreased due to tract being split into a parent and child account. This loss in acreage is due mainly to ROW on Hillcrest, 121, Preston Road, Spur 33, and 9065 County Road 115. One R account was granted ag value, and one R account was added to the city, while 3 R accounts were deleted from the roll due to disannexation. Thirteen R accounts were deleted from the 2000 roll and split into new child and parent accounts. The appraisal district is doing this to try to keep better tract of the rollbacks in each old tract. There is a decrease in value of \$5,455,684 and in levy a decrease of \$20,186 making Supplemental Roll #4 for 2000 have a net taxable value of \$3,075,620,553.

On Supplemental Roll #14 for 1999 1 R account was removed from the 199 roll as not in city until 2000, and 1 R account was put back into ag value for the entire year. There is a loss in value of \$192,681 and \$718 in levy making the Supplemental Roll #14 for 1999 have a net taxable value of \$2,143,003,880.
